## MATH-A-THON

The deadline for Math-A-Thon contributions is this Friday, Dec. 4<sup>th</sup>. Students can turn their money in anytime this week, but I would like Friday to be the last day. They will be taking part in math activities in their classrooms and working in their Funbooks during the week. A big 'Thank You' to all of the students who took part this year.

## LOST AND FOUND

We are getting quite a collection of jackets, sweatshirts, hats, etc. Please check the coat hooks by the gym or the 'Lost and Found' basket by the girls' bathroom on the first floor for missing items.

## TREE OF LOVE

Fourth and Fifth graders went shopping on Nov. 24<sup>th</sup> for the 5 children whose names were drawn from the Tree of Love. They used the approximately \$325.00 they

raised from the Hot Dog Feed. Thank you to all who supported this annual event! Toy wrapping will be December 16<sup>th</sup>, at 7:00 PM at the Knights of Columbus Hall. I know they appreciate all of the Christmas helpers they can get.

## ADVENT CELEBRATIONS

During Advent season, each class takes a turn presenting a short play. This year, the students will be presenting a progressive nativity. Presentations will be each Tuesday and Thursday at 8:15 AM in the Learning Center. Each presentation will last about 20 minutes. Please join us!
